Conscious Michiana

Join us for our second annual MIND BODY SPIRIT festival. This event is free to attend and appropriate for all ages. We are currently accepting submissions for vendors, performers, teachers, food services, volunteers, and sponsorship opportunities at multiple levels. Information can be found online at www.consciousmichiana.com.

Conscious Michiana, Inc. is a 501(c)(3) non-profit organization that supports holistic health practitioners, artists, energy workers, and readers in the Michiana community. Our mission is to be a resource for connecting, collaborating, and co-creating with like-minded individuals. We are dedicated to helping Michiana residents find information and services that support wellness and reduce stress.

Your Donations help build awareness of people, places, and events in the community, as well as support scholarships for classes and workshops for those who need it most.
